@lindsayollis Hi Linda! Glad to "see" you here! #3rdchat

10-Aug-11 23:10 | Elle_Gifted

@TRockR They love to make movies! Tutorials can be made in any area... #3rdchat

10-Aug-11 23:11 | lindsayollis

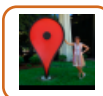

@lindayollis I might have to try it in iMovie. I used VoiceThread for explaining how to do math as well. #3rdchat

10-Aug-11 23:13 | TRockR

@JaimeVanderG It was fine until it started messing up and get glitchy! We had our good days & bad w/Google Docs. #3rdchat

10-Aug-11 23:13 | Elle_Gifted

@Elle_Gifted In small groups, they plan their tutorial out...rough storyboarding...then practice w/o camera...then film. #3rdchat

10-Aug-11 23:14 | lindayollis

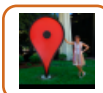

@lindayollis Our district provides all our sts a Google apps acct. So as long as parents sign AUP, we're good to go! #3rdchat

10-Aug-11 23:14 | Elle_Gifted

@lindayollis Oh man, I am definitely going to be using iMovie to explain problems...How many students work together to make one? #3rdchat

10-Aug-11 23:15 | TRockR

@lindayollis Making tutorials shows you how much they really know & can apply. Love this idea! #3rdchat

10-Aug-11 23:16 | Elle_Gifted

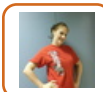

@lindayollis Yes yes. iMovie is one of my fav tools to use. The kids love making their own "productions" #3rdchat

10-Aug-11 23:16 | TRockR

@JaimeVanderG I think we're the 1st in our district to take advantage. Trying to use Google docs for collab writing projects. #3rdchat

10-Aug-11 23:17 | Elle_Gifted

I now HAVE to use iMovie ;) sounds awesome! #3rdchat

10-Aug-11 23:17 | JaimeVanderG

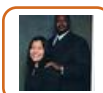

@lindayollis how do you post/embed eye movie videos on FB & Google sites? Tried this w/ no success. #3rdchat

10-Aug-11 23:18 | Elle_Gifted

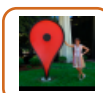

I also like using Google Docs for "typing races" (Not small group, but still fun!) <http://tinyurl.com/3II4vgd> #3rdchat

10-Aug-11 23:18 | TRockR

I seriously need some help with eye movie! Love the quality of making videos though. #3rdchat

10-Aug-11 23:21 | claymayer

@lindsayollis I have 1 iPad that I will have this year. Still trying to map out ideas on how to use it as part of a small group... #3rdchat

10-Aug-11 23:21 | TRockR

@claymayer They have their own dropbox account? #3rdchat

10-Aug-11 23:22 | TRockR

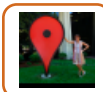

@lindsayollis Our version of eyemovie only had facebook sharing feature. No YouTube/vimeo. Thining we have old macs. #3rdchat

10-Aug-11 23:22 | Elle_Gifted

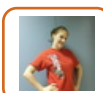

RT @claymayer: My students use Dropbox to save their projects in so I can pull them up ANYWHERE! No more flashdrives #3rdchat>really? Wow!

10-Aug-11 23:22 | Elle_Gifted

@TRockR Movies are great because they can pause and review pretty easily...although you can pause/repeat w/ VT too #3rdchat

10-Aug-11 23:23 | lindsayollis

@lindsayollis I plan to use iPad... And hopefully @LewisvilleISD will allow kids to bring their own devices this year! #3rdchat

10-Aug-11 23:23 | JaimeVanderG

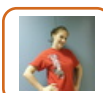

#3rdchat I use Ipods with partners/small groups for "character education". Use app Sock PUPpets to create short videos on being a friend etc

10-Aug-11 23:23 | MrsMcV

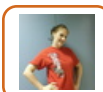

@claymayer My district technology specialist told me to use dropbox. Need to go ahead and join! #3rdchat

#3rdchat @TrockR Me too...will be working with a tech-savvy partner this year. Thinking may use it during read aloud to discuss text.

10-Aug-11 23:32 | MrsMcV

The show me app is great tool for tutorials.Great way 2 turn it over 2 kids 2 explain 2 other kids or 2 assess student understanding #3rdchat

10-Aug-11 23:33 | LNPG7

Daily5 pretty much helps set up reading groups, yes? It was mentioned in a PD class I took today. #3rdchat

10-Aug-11 23:33 | TRockR

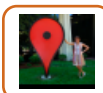

@MrsMcV Having two class chat together at same time? Sounds fun! #3rdchat

10-Aug-11 23:33 | TRockR

#3rdchat will have a challenging (low readers + behaviours) next year and looking forward to using Daily5 for "stamina training" in reading.

10-Aug-11 23:33 | MrsMcV
